

AQUAIR

WHIRLPOOL BATHS

*Baths to Help
You Relax and
Unwind.*

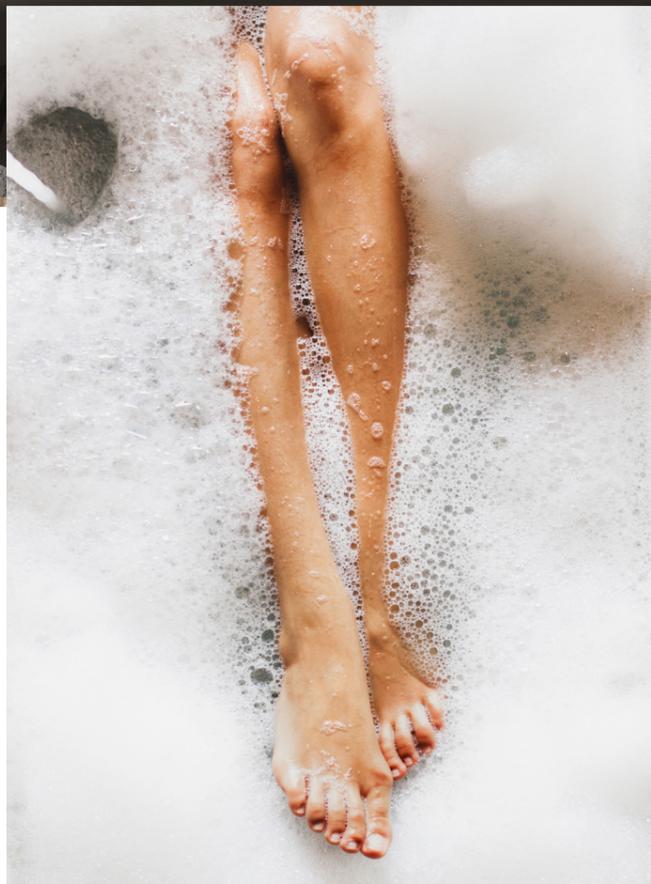

Adding an Aquair whirlpool and/or airspa system transforms any Trojan bath into a place to relax, unwind and escape reality in the comfort of your own home.

AMARE - WITH AQUAIR

Indulge in Luxury

Hydrotherapy is a proven therapeutic way of using water to relax the body releasing stress and tension.

The jets in an Aquair whirlpool bath help to relax tight muscles and increase blood flow to all tissues, offering an at home spa-like treatment.

AQUAIR

WHIRLPOOL BATHS

*Step into your own
little haven to recharge
and re-energise.*

Each bath is available with 3 different systems: an Airspa that uses jets to blow air into the bath, a Whirlpool system, which pushes water into the bath or both combined.

We also offer additional options to each Aquair bath, including LEDs, Bluetooth connectivity and an electronic water heater.

Allowing you to truly relax and enjoy your bathing experience.
